

*Let everything that has breath praise the LORD. Praise the LORD! Psalm 150:6*

As we reflect on the year 2016, we must praise the LORD for His goodness, His grace, and His majesty. We also must give thanks to all of those whom the LORD has used to bless Him and benefit His church. Every child, children's worker, choir member, praise band member, and audio / video operator are a blessing to the LORD and an encouragement to His body, the church. This servant is extremely thankful for each of you!

As for 2017, I'm anxiously looking forward to what God has in store for us. The Celebration Choir will be going on a choir retreat at the end of March. We'll be introducing some incredible new music. Our desire is to enhance the worship of our great God and praise His holy name. We will be looking at possible opportunities to share what God has entrusted to us with other fellowships in our area.

Our Children's Choirs will also be looking to expand opportunities to learn and minister to our church family. Let me encourage any and all of you to take advantage of the opportunities to involve yourself in these ministries. Why? Because it ain't about us...it's all about JESUS! God bless you and Happy New Year!
